

March 2011 ES Quiz Questions

All students must complete the STAR test (and PFT if applicable) by the close of the testing window, which is:

- a) April 28
- b) April 15
- c) March 29
- d) May 20

Which of the following is true (best answer)?

- a) You must attend a required regional training/portfolio meeting with your assigned group in March
- b) You must bring ALL of your completed portfolios for 2011, turning them in at that time
- c) The regional meeting is an all-day required training where we will earn 4 hr. of PG
- d) All are true

T/F These are the only forms needed for the graduation packet: graduation complete checklist, student graduation approval requirement form, and the graduation requirement worksheet.

Which of the following is NOT correct:

- a) Planned lists should be entered as you become aware of students assigned to another ES that you want to work with next year
- b) Planned lists should be entered as you become aware of a possible incoming student who will request you
- c) Planned lists should be entered as you become aware of a possible drop or graduate at the end of this year
- d) You may not have space for next year's students unless you complete your planned list in Webfiles

T/F - 2012 Student agreements for continuing students are due by August 15th, the first day of school

Which one of the following is incorrect: When completing Student Agreements for Fall:

- a) Be sure to select the correct grade level for Fall 2012
- b) Be sure you check the grade placement chart for any new students you are enrolling to ensure proper placement at the beginning of their enrollment with our school
- c) Grade levels are already correct when you receive a new student assignment for Fall, as the office staff is the one who checks the grade level placement, not the ES.
- d) Check the retention box on the Student Agreement if a grade level will be repeated in the year 2012

T/F I am expected to wear my school lanyard with my school ID or name tag to the March ES regional meeting.

I do not need to bring the following to the March ES regional meeting:

- a. All of my portfolios—done and perfect!
- b. A current portfolio checklist, and extra labels, just in case....
- c. Extra samples for all students for all subjects, just in case....
- d. Dinner for everyone in my group!

I have a transfer student and the transferring ES did not include a first semester checklist with her/his portfolio samples. Who do I contact for help?

- a. The previous ES
- b. Janet Marsh
- c. My Advisor
- d. Becky Cote

T/F If I have portfolio errors that I cannot fix at the regional meeting, I can get them to my Advisor at a later, more convenient date for me. This won't reflect poorly on my ES evaluation.

T/F You cannot use funds from 2011 to place service PO's for 2012.

How do you designate using 2011 funds to place PO's for the upcoming 2012 school year?

- a) Write "For 2012 school year" in the description area of the po.
- b) Click "Cancel-End of Yr" box on the po screen
- c) Change the session to "12" to designate processing in July for upcoming year with 2011 funding.
- d) Click "delayed" to delay processing until July.

When should you contact the vendor for a service PO?

- a) to inquire about pricing or to confirm the content of a class before placing a PO
- b) to let them know you are cancelling service early on a specified date
- c) Neither A or B are correct; you NEVER contact a service vendor as they must only speak with Vendor Relations.
- d) Both A and B are correct

For product PO's, you may only contact the vendor . . .

- a) If you have questions about product info or order numbers or price.
- b) If you rec'd the wrong item and need to exchange it
- c) If you want to cancel an order in under 30 days
- d) NEVER; you never should contact the product vendor

T/F It is your duty to individually test students who do not attend their assigned STAR test sessions/ make-up sessions.

If you have a Spring or Summer graduate don't forget to:

- a) Administer the appropriate Scantron exit exam(s).
- b) E-mail your advisor regarding any missing materials.
- c) Attend the graduation ceremony.
- d) All of the above.

Which is true regarding K-8 students taking Algebra 1 (but not for high school credit)?

- a) It requires a math HQT; multi-subject does not work for this situation.
- b) It now requires a separate high school report card.
- c) A 6th grader cannot take algebra 1.
- d) Algebra 1 should not be taken prior to grade 9.

T/F Seeing a "99" in the ESEA area of a Report Card is a good thing, and therefore I should ignore it.

What is/are the correct procedure(s) if an ES receives materials found to be sectarian?

- a) Email POInquiries@ieminc.org to notify them of a sectarian materials received.
- b) Store the item away in your garage so it will not be used by students to keep the school accountable.
- c) Deliver the items to the family and don't tell anyone they are no-no items. Who will ever know?
- d) Email edpo@ieminc.org with PO# and details of what you found, then follow the direction given.

T/F Parents and ES can register to participate in the eScrip fundraising program by following the directions given in the agenda.

When is a student issued a truancy for not taking their spring assessment?

- a) When they submit a waiver
- b) When they miss their assigned testing dates and make up dates
- c) At the end of the testing window if they have not tested with either the STAR or school test
- d) As soon as possible so I can get a new student to replace them

T/F Scantron post-test policy has changed and the time when students must be post-tested varies depending on their course schedule.

STAR Rewards

- a) Are given to all students who score proficient or above in ELA and Math, regardless of their attendance at other standardized tests
- b) Are deposited into the students IF account to be spent on educational materials
- c) Are given out next school year to those students who qualify
- d) B and C
