

## SSCS Parent Survey Question #2--2009

What would you change about this SSCS?

### Parent Responses

Vendor agreements- I would re-negotiate our vendor contract w/ office depot to receives the same free shipping that the general public receives. BTW, Office Depot if going out of business, Suggest you contact Staples ASAP for a new vendor-but this time w/ free shipping  
nothing

We desperately need a learning center where old materials can be viewed by parents and checked out if needed. We could also offer classes there as a central location.  
nothing

The amount of times you have to meet with the ES and the quantity of collected work needs to be less and meetings every thirty days

Length of time to get materials

I am satisfied with the school.

The availability of "religious" curriculum. I realize it is state funded, however, there are some great things from approved vendors that are not allowed

Classes available at local sites

Magazine subscriptions be sent directly to student.

More parent child involvement with monthly groups or a once a week enrichment class

Not a thing!

I would like to see a Resource Center opened where the non consumable items can be recycled

None

Nothing

More high school qualified ES's

For High School Students more A-G choices and better clarification of HS requirements in

Nothing

Meeting with a teacher every week. 2 weeks are too long for a student  
availability in Nevada County

Nothing

Too much work and less time to do the work

Nothing

nothing

Resource center where parents can check out materials returned by previous students

Vendor application redone

Get bilingual teachers for the parents, who don't speak Spanish and contracts in Spanish

Nothing

The system for searching vendors

Help the families to meet each other. At GEAs it seems everyone is on their own

Nothing

nothing

nothing

Nothing (Besides no testing for the early elementary grades- but that is a dream the government controls)

vendor add ease

How strict the refusal of anything sectarian-even if student lead and directed

Nothing

More communication and either emails or calls about GEAs.

The testing

none

So far, nothing as we are still getting used to the system

Nothing

Nothing

need a resource library/learning library

nothing at this time

nothing

More classes in our area. We need more socializing. My daughter is very isolated in home

nothing

I would like to see the vendor list made easier to find things on. I like to shop for school items from the vendor list but I find it hard and time consuming unless I know who I am shopping from I would like to have more group time with like ages. Activities, outings, classes- in a Butte county

I can't think of anything off hand

nothing

Nothing at present

Nothing

Providing more tutoring, sports programs for the kids

More on-line courses. i.e. - music lessons. Spearhead math or English areas

Nothing

More room for GEAs. Most fill up so fast

More connection and community, so we can all get to know each other and support each other.

less stringent requirements for setting up vendors. Quicker time receiving items ordered

More high school activities and involvement

I'd like to see if any of the other students who are in K or 1st live nearby and if they'd like to get together for activities

Nothing

I want it to feel more like a public school

nothing

Maybe offer new parent orientation

Nothing

If there were a way to offer classes of some kind of get together to get to know other

I wish there was a lending library.

Group classes offered on site.

I love it

Qualified purchase guidelines and vendors that we go and then are refunded if we give proper paperwork

NA

Nothing so far

I would like the vendor application process to be reevaluated and simplified so that the vendors

I have requested can follow through and complete the process

High school program, Lack of HQT experienced in home schooling.

I wish I had a writing class that they can participate nearby

I think you should create a used textbook, computer, instrument web site for students to

"recycle" usable goods instead of the ESs storing them indefinitely

1. More formal/presentable report card instead of a computer generated sheet.

2. More cost effective and time saving way to order materials (study) for student instead of wasting money in UPS shipping to ES then to parent (time lost)

More flexible ordering options for curriculum

The rule about no springs or trampolines when taking gymnastics

Learning center would be nice

Often more group classes in Sacramento. Sometimes GEA opportunities get emailed too late for me to plan for them.

Maybe a clearer update on activities through a timely online newsletter

Nothing! I love it!
